

Recommendation for Nancy Guberti

Created by Nancy Guberti on Dec 2, 2024

Message

Always check with your medical doctor before starting any supplement. Some herbs and supplements may interfere with medications. Everyone is unique therefore functional medicine lab testing is always recommended annually just like getting an annual physical.

It's imperative for you to take charge your health.

This is a basic detox protocol and does not constitute a practitioner client relationship.

Explore these products for detoxing from toxins including glyphosate.

Always check with your medical doctor before starting any new protocol.
